

mod. 307

AISI 302 harmonic stainless steel spike manufactured into a U.V. protected polycarbonate base.
The cheapest spike in our range. Can be used in any situation, when the bird pressure is low. Ideal to protect gutters, string-courses, etc. Can be fixed by means of silicone, screws, rivets, etc.

**New generation spike with UV-treated polycarbonate base
longitudinal coverage
40 pins each linear meter**

The top-quality of the product remains unaltered throughout the time, as the base is entirely manufactured in U.V. protected polycarbonate and the pins are made of AISE 302 harmonic stainless steel.

TECHNICAL FEATURES

Base:
